Electives are offered to any and all TMS high school students who enroll in the TMS CORE. Classes need a minimum of five (5) students enrolled. *Fewer than 5 enrolled in a class may result in the elective being cancelled OR a willingness on the part of all families involved to absorb additional cost in order to secure the teacher/tutor. As enrollment increases, some reduction in fees may be observed.*

## **Additional Expenses, Fees, Discounts**

### ***Books and Texts***

*The Master's Study provides a list of books and texts to be used with our program. TMS does not supply such material unless it is a "loaned handout"; families are responsible for purchasing all of their own texts. We find this provides the most flexibility to families seeking to acquire books, whether in "hand-me-down" fashion from older siblings, borrowed from friends, or acquired online – new or used. Possible resources include Rainbow Resources, Amazon.com, Barnes & Noble, and Half-Price Books – just to name a few.*

### ***Bank Fees***

*The Master's Study reserves the right to assess bank fees related to checks returned for insufficient funds.*
